What's new in May 2010...

Fairfield Spectra Moved

The Fairfield Spectra has been moved to the North-East side of the Fairfield Community Centre. It now lives in the small car parking stall in the public school parking lot. If the small car parking stall is full, please park in the next available spot.

RBC Online Banking

Members banking with RBC are now able to pay invoices online! RBC clients may add the Victoria Car Share to their list of billers, using member number as client number. Currently, only Scotiabank clients are unable to pay their invoice online.

Member Reminder of the Month

We have two trucks in our fleet: a Dodge Dakota at Shelbourne and Mackenzie with a canopy, and a Mazda B2300 in front of the Fernwood Community Centre. We have taken the canopy off the Fernwood Mazda for Summer.

Meet a Board Member

Tom McNamara

Tom joined the carshare in 2008, and has been a board member for the past year. His expertise in branding, websites, and marketing strategy is helping the co-op evolve and grow. Tom sold his gas-guzzling money pit years ago, and now gets around primarily by bike and foot. Carsharing has made his life healthier, richer and simpler.
